

COVID-19 Test to Stay Strategy

The safest option for students who have been in close contact with someone with COVID-19 is to follow quarantine guidance protocols as defined by the Louisiana Department of Health. However, parents have the option to have students follow the test to stay strategy for those individuals not up-to-date with vaccination in order to remain in school.

In adhering to the test-to-stay strategy, please complete the following document and return it to school.

STUDENT NAME: _____
