

CENTRAL CATHOLIC

The mission of Central Catholic is to foster a Christ-centered atmosphere with a focus on faith formation, academic excellence, and service development in pre-kindergarten through high school.

SEPTEMBER, 2021

An Education Ministry of the Diocese of Houma-Thibodaux

Serving the Parishes of Holy Cross, St. Rosalie, Sacred Heart, St. Andrew, St. Joseph, St. Stephen, St. Bernadette, St. Joseph the Worker. Located in the Dioceses of Houma/Thibodaux, Lafayette, and Baton Rouge. Central Catholic admits students regardless of race, color, sex, national, or ethnic origin.

Central Catholic implemented a new virtue-based formation program entitled **VIRTUE=STRENGTH**. All students in Pre-K3-12th grades, as well as faculty, staff and parents, have opportunities to grow in their faith through this intentional, virtue curriculum. Each week the Central Catholic Community is introduced to the virtue of the week. Virtue images are posted, bible quotes, daily quotes and the way to live the virtue on social media and our website. Each month we share the parent gospel reflection and family resolutions.

Principals' Message...

As we journeyed through all the new protocols last school year brought to our Central Catholic school community, our students, faculty, staff, parents, and community members joined together to ensure the safety, faith formation, and academic success of all. Together in our faith, we achieved great accomplishments because With Christ, We Can! Our school theme this year is "Love God, Love Your Neighbor." We encourage everyone as this school year begins to be empowered to live out the virtues of our Catholic faith, gain knowledge, and serve others in need. Central Catholic appreciates and thanks you for your belief in Catholic education, generous donations, and commitment to our students, faculty, and staff.

"You shall love the Lord, your God, with all your heart, with all your being, with all your strength, and with all your mind, and your neighbor as yourself."

Luke 10:27

FAITH is all about *believing*

Kindergarten students Julia Aucoin and McKenzie Arceneaux leave flowers at the statue of Mary in the month of May. At Central Catholic we believe those with strong faith for the Lord, Jesus Christ, are given great blessings. Students learn that Mary, is a figure in our lives that we can have as a mother to nurture us when we are suffering, and to join us when we are rejoicing. First Graders Maysen Cloutier, Sennet Wiggins, Taylor Mingo and Gabriel Bourgeois follow along with their Way of the Cross booklets during Lent. All students learn Lent is the season in which we prepare for the celebration of Easter, the greatest feast of the church year. Also, students take part in prayer, fasting and giving. High School students participated in an outdoor Way of the Cross lead by the Retreat Team. Our Eagle Mascot, Ethan Kahl reminds us **"GOD IS GOOD ALL THE TIME"**

ACADEMIC EXCELLENCE

Despite the different school year with Covid restrictions, mask wearing and social distancing students in grades Pre-K-12th pushed on with their academics. Pictured top left are High School students in Mrs. Wallace's English III working on research papers. (Top middle): Emily Underwood uses her Chromebook to research a Social Studies project talking about regions of the United States. (Top right): Mrs. Loupe's Chemistry II students participated in a titration lab using burets. (Bottom left): Carter Howard at the elementary computer lab works on a project given by Mrs. Karen Tycker during computers. Students in First Grade pictured in the bottom middle picture did a lesson on weather in class and presented to their classmates with posters and props. After completing and presenting they had the opportunity to Zoom with WGNO Meteorologist Scot Pilie' to ask questions about Meteorology and being a Meteorologist. Such a neat experience for our First Graders! (Bottom right): Mrs. Miller's English 6 classes wrap up a multi-week of research papers on their famous American.
