## **MONTHLY NOVENA**

The Church dedicates the month of May to the Blessed Virgin Mary Monthly Intention: Let us pray that we may grow in the virtue of temperance, the strength that moderates the attraction of pleasures and provides balance in the use of created goods. NOVENA PRAYER TO THE BLESSED VIRGIN MARY FOR THE MONTH OF MAY. O most august and blessed Virgin Mary! Holy Mother of God! Glorious Queen of heaven and earth! Powerful protectress of those who love you, and unfailing advocate of all who invoke you! Look down, we beseech you, from thy throne of glory on your devoted children. Accept the solemn offering we present you of this month, especially dedicated to you, and receive our ardent, humble desire, that by our love and fervor we may worthily honor you, who, next to God, art deserving of all honor. Receive us, O Mother of mercy, among your best beloved children. Extend to us your maternal tenderness and solicitude; obtain for us a place in the Heart of Jesus and a special share in the gifts of His grace. Oh, deign, we beseech you, to recognize our claims on your protection, to watch over our spiritual and temporal interests, as well as those of all who are dear to us. Deign to infuse into our souls the spirit of Christ and to teach us yourself to become meek, humble, charitable, patient, and submissive to the will of God. May our hearts burn with the love of your divine Son, and of you, His blessed Mother, not for a month alone, but for time and eternity. May we thirst and labor for the promotion of His glory and for thy greater veneration. Receive us, O Mary, the refuge of sinners; grant us a mother's blessing and a mother's care now and at the hour of our death. (Mention your request) Glory be to the Father and to the Son and to the Holy Spirit, as it was in the beginning, is now and ever shall be, world without end. Amen.
